[PART 661 Newborn and Infant Screening Code](#)

● EHDII service providers shall submit the following information:

- Provider, location and type of hearing testing; ear specific information; diagnosis; treatment plan; and recommendations;
- Broken or re-scheduled appointments;
- Follow-up services;
- Part C and non-Part C intervention services, supports and enrollment status for the newborn, infant or child and the newborn, infant or child's family, legal guardian or caregiver; and
- Parent, parent-to-parent or EHDII-related support services.

● Service provider submissions shall include, at a minimum, the following:

- Newborn, infant or child's name (first, middle and last);
- Newborn, infant or child's date of birth;
- Newborn, infant or child's gender;
- Newborn, infant or child's primary healthcare provider or clinic;
- Newborn, infant or child's birthplace, if available;
- Residential address and telephone number, including street address, city, county, state and ZIP code of newborn, infant or child;
- Residential address and telephone number, including street address, city, county, state and ZIP code of both parents, legal guardian or caregiver, if different from residential address and telephone number of newborn, infant or child;
- Primary language spoken in the home of the newborn, infant or child, if available;
- Name, address and credentials of service provider; and
- Any known risk factors for hearing loss, if available.
